Re: Anti-Spam Service

First, we would like to thank you for your interest in Net Works, Inc. We appreciate it very much. Customers like you have allowed us to grow our company and expand our staff to better serve your IT needs.

One of our toughest challenges throughout the last 10 years has been reducing the amount of unsolicited junk emails that we and our customers receive. After testing dozens of software solutions and services, we have finally found one that works as promised. We are pleased to offer this anti-spam service to you. Some of the features of this service include:

- blocks **99% – 99.5%** of spam
- Easy to get started because implementation requires no changes to your e-mail server or computers.
- Industry leading accuracy eliminates the need to review spam, resulting in a positive return on investment in recouped wages
- The anti-virus option reduces the chance your company will be infected with a costly virus.
- Reduces the chance your co-workers will be victims of a credit card or identity theft.
- Nearly eliminates pornography and other vulgar email that is highly offensive to many people.
- **30 day free trial**
